

NAZ FAMILY MUSIC DAY CAMP
For Band and Piano
June 4-9, 2012

The Music Ministries Department of Nazarene Bible College is pleased to serve our community and campus with the fourth annual Family Music Day Camp. Youth and adults are invited to be part of our Family Band and Piano Music Day Camp that will be held on the campus of Nazarene Bible College.

Daily classes and rehearsals will be offered in a variety of musical settings including band for adults and students, piano, choir, beginning handbells, beginning guitar, ukulele, and music fundamentals. For one week, everyone will enjoy fellowship and music in a beautiful college campus environment with outstanding instructors.

This year, we are including in our camp programming **MUSIC**, **ART**, and **MATH**. You will learn the connections between these and how patterns, colors, and numbers are put together to form musical compositions. Connect the Notes: Music, Math, and Art! What do Pitch, Fibonacci, Jazz, and Bach have in common? You might be surprised to find out the **MATH** is the connection! This will be a fun class for those who do not play an instrument, but enjoy hands-on learning.

Additional Information

This *Intergenerational Camp*—a collaborative effort of Nazarene Bible College, Pikes Peak New Horizons Band (for adults 40+), and the Pikes Peak Home School Band—is open to musicians of almost any age. (Last year’s camp had participants ranging in age from 9 to 90).

Public and private school students are encouraged to join with the home schooled and adult musicians for this week of musical activity. Separate group rehearsals will be held daily for students who have had at least one year of instruction as well as for more advance middle and high school students. These more advanced students will join with the adult concert and jazz bands for a “Grand Finale” concert on Saturday afternoon.

Where else could a student perform in a band alongside his parent and/or grandparent?

Lunch will be provided daily. An old fashioned “ice cream social” will be held one evening following the planned guest performance by the Fountain Creek Brass Band.

Students under junior high school level will need to be accompanied by a participating parent. Day care is not provided (however, this can be addressed closer to camp time if sufficient need is evident).
